## INTRODUCTION

This Evidence of Health Coverage (this “EOC”) was created for the Employer as part of its employee welfare benefit plan (the “Plan”). References in this EOC to “administrator,” “We,” “Us,” “Our,” or “BlueCross” mean BlueCross BlueShield of Tennessee, Inc. References to Employer mean the City of Chattanooga and its affiliated agencies and entities.

The Employer has entered into an Administrative Services Agreement (ASA) with BlueCross for it to administer the claims Payments under the terms of the EOC, and to provide other services. BlueCross does not assume any financial risk or obligation with respect to Plan claims. BlueCross is not the Plan Sponsor, the Plan Administrator or the Plan Fiduciary, as those terms are defined in ERISA.

The Employer is the Plan Fiduciary, the Plan Sponsor and the Plan Administrator. These ERISA terms are used in this EOC to clarify their meaning, even though the Plan is not subject to ERISA. Other federal laws may also affect Your Coverage. To the extent applicable, the Plan complies with federal requirements.

This EOC describes the terms and conditions of Your Coverage through the Plan. It replaces and supersedes any EOC or other description of benefits You have previously received from the Plan.

PLEASE READ THIS EOC CAREFULLY. IT DESCRIBES THE RIGHTS AND DUTIES OF MEMBERS. IT IS IMPORTANT TO READ THE ENTIRE EOC. CERTAIN SERVICES ARE NOT COVERED BY THE PLAN. OTHER COVERED SERVICES ARE LIMITED. THE PLAN WILL NOT PAY FOR ANY SERVICE NOT SPECIFICALLY LISTED AS A COVERED SERVICE, EVEN IF A HEALTH CARE PROVIDER RECOMMENDS OR ORDERS THAT NON-COVERED SERVICE. (SEE ATTACHMENTS A-D.)

Employer has delegated discretionary authority to make any benefit or eligibility determinations to the administrator; the Employer also has the authority to make any final Plan determination. The Employer, as the Plan Administrator, and BlueCross also have the authority to construe the terms of Your Coverage. The Plan and BlueCross shall be deemed to have properly exercised that authority unless it abuses its discretion when making such determinations, whether or not the Employer’s benefit plan is subject to ERISA. The Employer retains the authority to determine whether You or Your dependents are eligible for Coverage.

ANY GRIEVANCE RELATED TO YOUR COVERAGE UNDER THIS EOC SHALL BE RESOLVED IN ACCORDANCE WITH THE “GRIEVANCE PROCEDURE” SECTION OF THIS EOC.

In order to make it easier to read and understand this EOC, defined words are capitalized. Those words are defined in the “DEFINITIONS” section of this EOC.

**The Employer has selected a High Deductible Health Plan (HDHP), which may be used with a Health Savings Account (HSA). It may be different from previous health plans You have had HDHPs are described on the following page of this EOC.**

Please contact one of the administrator’s consumer advisors, at the number listed on the Subscriber’s membership ID card, if You have any questions when reading this EOC. The consumer advisors are also available to discuss any other matters related to Your Coverage from the Plan.

## BENEFIT ADMINISTRATION ERROR

If the administrator makes an error in administering the benefits under this EOC, the Plan may provide additional benefits or recover any overpayments from any person, insurance company, or plan. No such error may be used to demand more benefits than those otherwise due under this EOC.

## INDEPENDENT LICENSEE OF THE BLUECROSS BLUESHIELD ASSOCIATION

BlueCross is an independent corporation operating under a license from the BlueCross BlueShield Association (the “Association.”) That license permits BlueCross to use the Association’s service marks within its assigned geographical location. BlueCross is not a joint venturer, agent or representative of the Association nor any other independent licensee of the Association.

## **WHAT IS A HIGH DEDUCTIBLE HEALTH PLAN?**

A High Deductible Health Plan (HDHP) has a higher Annual Benefit Period deductible than a typical health plan. When You are Covered under a HDHP, You may qualify for tax savings by contributing to a Health Savings Account (HSA).

An HSA is a personal tax-exempt trust or custodial account used to pay for qualified medical expenses. HSAs are regulated by the Internal Revenue Service (IRS). You should seek tax advice to see if You qualify for an HSA.

If You have other health insurance Coverage, the other Coverage must be another High Deductible Health Plan in order to qualify for tax savings.

### **How do Deductibles work with a HDHP?**

If You have Subscriber only health Coverage (also called Self-Only Coverage) under this HDHP plan, You must meet the Self-Only Deductible before any benefits will be paid under the Plan.

If You have Coverage for Yourself and one or more family Members under this HDHP plan, You and the family Members must satisfy the full Family Deductible before any benefits will be paid on any family Member.

Some preventive care benefits may be paid before the Deductible is satisfied. See Attachment C: Schedule of Benefits.

## **RELATIONSHIP WITH NETWORK PROVIDERS**

### **A. Independent Contractors**

Network Providers are independent contractors and are not employees, agents or representatives of the administrator. Network Providers contract with the administrator, which has agreed to pay them for rendering Covered Services to You. Network Providers are solely responsible for making all medical treatment decisions in consultation with their Member-patients. The Employer and the administrator do not make medical treatment decisions under any circumstances.

While the administrator has the authority to make benefit and eligibility determinations and interpret the terms of Your Coverage, the Employer, as the Plan Administrator as that term is defined in ERISA, has the discretionary authority to make the final determination regarding the terms of Your Coverage (“Coverage Decisions.”) Both the administrator and the Employer make Coverage Decisions based on the terms of this EOC, the ASA, the administrator’s internal guidelines, policies, procedures, and applicable State or Federal laws. The Employer retains the authority to determine whether You or Your dependents are eligible for Coverage.

You may request reconsideration of a Coverage Decision as explained in the Grievance Procedure section of this EOC. The participation agreement requires Network Providers to fully and fairly explain the administrator’s Coverage Decisions to You, upon request, if You decide to request that the administrator reconsider a Coverage Decision.

### **B. Termination of Providers’ Participation**

The administrator or a Network Provider may end their relationship with each other at any time. A Network Provider may also limit the number of Members that he, she or it will accept as patients during the term of this Agreement. The administrator does not promise that any specific Network Provider will be available to render services while You are Covered.

### **C. Provider Directory**

A Directory of Network Providers is available at no additional charge to You. You may also check to see if a Provider is in Your Plan’s Network by going online to [www.bcbst.com](http://www.bcbst.com).

## **REWARDS OR INCENTIVES**

Any reward or incentive You receive under a health or wellness program may be taxable. Talk to Your tax advisor for guidance. Rewards or incentives may include cash or cash equivalents, merchandise, gift cards, debit cards, Premium discounts or rebates, contributions toward Your health savings account (if applicable), or modifications to a co-payment, co-insurance, or deductible amount.

## **OUR PAYMENT METHODS FOR NETWORK PROVIDERS**

Our agreements with Network Providers include different payment arrangements. We use various alternative Provider payment methodologies including, but not limited to, Diagnosis Related Group (DRG) payments, discounted fee-for-service payments, patient-centered medical home programs, bundled payments for episodes of care, pay-for-performance initiatives, and other quality improvement and/or cost containment programs.

## **NOTIFICATION OF CHANGE IN STATUS**

Changes in Your status can affect the service under the Plan. To make sure the Plan works correctly, please notify the Employer when You change:

- name;
- address;
- telephone number;
- employment
- status of any other health coverage You have.

Subscribers must notify the administrator of any eligibility or status changes for themselves or Covered Dependents, including:

- the marriage or death of a family member;
- divorce;
- adoption;
- birth of additional dependents; or
- termination of employment.

## **ELIGIBILITY**

Any Employee of the Employer and his or her family dependents who meet the eligibility requirements of this Section will be eligible for Coverage if properly enrolled for Coverage, and upon payment of the required Payment for such Coverage. If there is any question about whether a person is eligible for Coverage, the Plan shall make final eligibility determinations.

### **A. Subscriber**

To be eligible to enroll as a Subscriber, an Employee must:

1. Be a full-time Employee of the Employer, who is Actively at Work; and
2. Satisfy all eligibility requirements of the Plan; and
3. Enroll for Coverage from the Plan online through the benefit enrollment system.

### **B. Covered Dependents**

To be eligible to enroll as a Covered Dependent, a Member must be listed when enrolling by the Subscriber, meet all dependent eligibility criteria established by the Employer, and be:

1. The Subscriber's current spouse as defined by the Employer, which may include a Domestic Partner; or
2. The Subscriber's or the Subscriber's spouse's: (1) natural child; (2) legally adopted child (including children placed for the purpose of adoption); (3) step-child(ren); or (4) children for whom the Subscriber or Subscriber's spouse is the legal guardian; who are less than 26 years old; or
3. A child of Subscriber or Subscriber's spouse for whom a Qualified Medical Child Support Order has been issued; or
4. An Incapacitated Child of Subscriber or Subscriber's spouse.

The Plan's determination of eligibility under the terms of this provision shall be conclusive.

The Plan reserves the right to require proof of eligibility including, but not limited to, a certified copy of any Qualified Medical Child Support Order.

### **C. Waiting Period**

The Plan has a Waiting Period. Each Employee must wait until the first of the month following the date he or she is hired before he or she is eligible for Coverage.

### **D. Coverage For Retirees**

A Subscriber who qualifies as a Retiree may still be an eligible Employee under this EOC after leaving full time employment. A Retiree is a Subscriber who:

- Retires from full time employment after 25 years with Employer; or
- Is at least age 62 and separates after at least 10 consecutive years of employment immediately preceding the separation.

IOD (Injured on Duty) and disabled Subscribers may be considered Retirees. Check with the Employer for details.

Retirees may be required to pay a portion of the Payment to the Employer. Dependents of Retirees may continue Coverage after the Retiree ceases to be eligible. Check with the Employer for full details.

### **E. Domestic Partner**

The term spouse may also include a Domestic Partner as defined by the Employer.

## ENROLLMENT

Eligible Employees may enroll for Coverage for themselves and their eligible dependents as set forth in this section. No person is eligible to re-enroll if the Plan previously terminated his or her Coverage for cause.

### A. Initial Enrollment Period

Eligible Employees may enroll for Coverage for themselves and their eligible dependents within the first 31 days after becoming eligible for Coverage. The Subscriber must: (1) include all requested information; (2) sign; and (3) enroll for Coverage from the Plan online through the benefit enrollment system during that initial enrollment period.

### B. Open Enrollment Period

Eligible Employees shall be entitled to apply for Coverage for themselves and eligible dependents during their Employer's Open Enrollment Period. The eligible Employee must: (1) include all requested information; (2) sign; and (3) enroll online through the benefit enrollment system during that Open Enrollment Period. Employees who become eligible for Coverage other than during an Open Enrollment Period may apply for Coverage for themselves and eligible dependents within 31 days of becoming eligible for Coverage, or during a subsequent Open Enrollment Period.

### C. Adding Dependents

A Subscriber may add a dependent who became eligible after the Subscriber enrolled as follows:

1. Any new dependent, (e.g., if the Subscriber marries) may be added as a Covered Dependent if the Subscriber completes and submits online through the benefit enrollment system within 31 days of the date that person first becomes eligible for Coverage.
2. An Employee or eligible dependent who did not apply for Coverage within 31 days of first becoming eligible for Coverage under this Plan may enroll if:
  - a. He or she had other coverage at the time Coverage under this Plan was previously offered; and
  - b. He or she stated, in writing, at the time Coverage under this Plan was previously offered, that such other coverage was the reason for declining Coverage under this Plan; and

c. such other coverage is;

(1) COBRA and the COBRA coverage is exhausted; or

(2) Non-COBRA and

(a) You lose eligibility under the other coverage (other than for a failure to pay premiums); or

(b) Employer contributions for the other coverage ended; and

d. He or she applies for Coverage under this Plan and the administrator receives the change through the benefit enrollment system within 31 days after the loss of the other coverage.

### D. Late Enrollment

Employees or their dependents who do not enroll when becoming eligible for Coverage under (A), (B) or (C), above may enroll:

1. During a subsequent Open Enrollment Period; or
2. If the Employee acquires a new dependent, and he or she applies for Coverage within 31 days.

### E. Enrollment upon Change in Status

If You have a change in status, You may be eligible to change Your Coverage other than during the Open Enrollment Period.

Subscribers must, within the time-frame set forth below, submit a change online through the benefit enrollment system to the Group representative to notify the Plan of any changes in status for themselves or for a Covered Dependent. Any change in the Employee's elections must be consistent with the change in status.

1. You must request the change within 31 days of the change in status for the following events: (1) marriage or divorce; (2) death of the Employee's spouse or dependent; (3) change in dependency status; (4) Medicare eligibility; (5) coverage by another Payor.
2. You must request the change within 60 days of the change in status for the following events: (1) loss of eligibility for Medicaid or CHIP coverage, or (2) becoming eligible to receive a subsidy for Medicaid or CHIP coverage.

## **EFFECTIVE DATE OF COVERAGE**

If You are eligible, have enrolled and have paid or had the Payment for Coverage paid on Your behalf, Coverage under this EOC shall become effective on the earliest of the following dates, subject to the Actively at Work Rule set out below:

### **A. Effective Date of ASA**

Coverage shall be effective on the effective date of the ASA, if all eligibility requirements are met as of that date; or

### **B. Enrollment During an Open Enrollment Period**

Coverage shall be effective on the first day of the month following the Open Enrollment Period, unless otherwise agreed to by Employer; or

### **C. Enrollment During an Initial Enrollment Period**

Coverage shall be effective on the day of the month indicated online through the benefit enrollment system, following the administrator's receipt of the Employee's Enrollment; or

### **D. Newly Eligible Employees**

Coverage shall be effective on the date of eligibility as specified in the ASA; or

### **E. Enrollment of Newly Eligible Dependents**

- (1) Dependents acquired as the result of Employee's marriage – Coverage will be on the day of the marriage, unless otherwise agreed to by Employer and the administrator;
- (2) Newborn children of the Employee or Employee's spouse- Coverage will be effective as of the date of birth;
- (3) Dependents adopted or placed for adoption with Employee – Coverage will be effective as of the date of adoption or placement for adoption, whichever is first.

For Coverage to be effective, the dependent must be enrolled, and the administrator must receive any required payment for the Coverage, as set out in the "Enrollment" section; or

### **F. Actively at Work Rule**

If an eligible Employee is not Actively at Work on the date Coverage would otherwise become effective, Coverage for the Employee and all his or her Covered Dependents will be deferred until the date the Employee is Actively at Work. This is not applicable if the eligible Employee is an eligible Retiree.

## **TERMINATION OF COVERAGE**

### **A. Termination or Modification of Coverage by BlueCross or the Employer**

BlueCross or the Employer may modify or terminate the ASA. Notice to the Employer of the termination or modification of the ASA is deemed to be notice to all Members Covered under the Plan. The Employer is responsible for notifying You of such a termination or modification of Your Coverage.

All Members' Coverage through the ASA will change or terminate at 12:00 midnight on the date of such modification or termination. The Employer's failure to notify You of the modification or termination of Your Coverage does not continue or extend Your Coverage beyond the date that the ASA is modified or terminated. You have no vested right to Coverage under this EOC following the date of the termination of the ASA.

### **B. Termination of Coverage Due to Loss of Eligibility**

Your Coverage will terminate if You do not continue to meet the eligibility requirements agreed to by the Employer and the administrator during the term of the ASA. Coverage for a Member who has lost his or her eligibility shall automatically terminate at 12:00 midnight on the last day of the month during which that loss of eligibility occurred.

### **C. Termination or Rescission of Coverage**

The Plan may terminate Your Coverage if:

1. You fail to make a required Member payment when it is due. (The fact that You have made a Payment contribution to the Employer will not prevent the administrator from terminating Your Coverage if the Employer fails to submit the full Payment for Your Coverage to the administrator when due); or
2. You fail to cooperate with the Plan or Employer as required; or
3. You have made a misrepresentation of fact or committed fraud against the Plan. This provision includes, but is not limited to, furnishing incorrect or misleading information or permitting the improper use of the membership ID card.

At its discretion, the Plan may terminate or Rescind Coverage if You have made an

intentional misrepresentation of material fact or committed fraud in connection with Coverage. If applicable, the Plan will return all Premiums paid after the termination date less claims paid after that date. If claims paid after the termination date are more than Premiums paid after that date, the Plan has the right to collect that amount from You or Your terminated dependents to the extent allowed by law. You will be notified thirty (30) days in advance of any Rescission.

### **D. Right to Request a Hearing**

You may appeal the termination of Your Coverage or Rescission of Your Coverage, as explained in the Grievance Procedure section of this EOC. The fact that You have appealed shall not postpone or prevent the Plan from terminating Your Coverage. If Your Coverage is reinstated as part of the Grievance Procedure, You may submit any claims for services rendered after Your Coverage was terminated to the Plan for consideration in accordance with the Claims Procedure section of this EOC.

### **E. Payment For Services Rendered After Termination of Coverage**

If You receive Covered Services after the termination of Your Coverage, the Plan may recover the amount paid for such Services from You, plus any costs of recovering such Charges, including its attorneys' fees.

### **F. Extended Benefits**

If You are hospitalized on the date the ASA is terminated, benefits for Hospital Services will be provided for: (1) 60 days; (2) until You are covered under another Plan; or (3) until You are discharged, whichever occurs first. The provisions of this paragraph will not apply to a newborn child of a Subscriber if an application for Coverage for that child has not been made within 31 days following the child's birth.

## **SUBROGATION AND RIGHT OF REIMBURSEMENT**

### **A. Subrogation Rights**

The Plan shall be subrogated to and/or have the right to recover amounts paid to provide Covered Services to You for illnesses or injuries caused, insured or reimbursed by any parties, including the right to recover the reasonable value of services rendered by Network Providers. This subrogation right attaches automatically as a lien against any proceeds received by You from a third-party for the cost of care or treatment for any injury or illness caused by the third party for which medical payment is provided.

The Plan has the right to recover any and all amounts equal to the Plan's payments from:

- the insurance of the injured party;
- the person, company (or combination thereof) that caused the illness or injury, or their insurance company; or
- any other source, including uninsured or underinsured motorist coverage, medical payment coverage, or similar medical reimbursement policies.

This right of recovery under this provision will apply whether recovery was obtained by suit, settlement, mediation, arbitration, or otherwise. The Plan's recovery will not be affected by any reductions due to Your negligence, nor by attorney fees and costs You incur.

### **B. Priority Right of Reimbursement**

Separate and apart from the Plan's right of subrogation, the Plan shall have first lien and right to reimbursement. This reimbursement right attaches automatically as a lien against any proceeds received by You from a third-party for the cost of care or treatment for any injury or illness caused by the third party for which medical payment is provided. The Plan's first lien supersedes any right that You or Your estate may have to be "made whole". In other words, the Plan is entitled to the right of first reimbursement out of any recovery You or Your estate might procure regardless of whether You or Your estate have received compensation for any of Your damages or expenses, including Your or Your estate's attorneys' fees or costs. This priority right of reimbursement supersedes Your or Your estate's right to be made whole

from any recovery, whether full or partial. In addition, You agree on behalf of Yourself and Your estate to do nothing to prejudice or oppose the Plan's right to subrogation and reimbursement and You acknowledge that the Plan precludes operation of the "made-whole", "attorney-fund", and "common-fund" doctrines. You agree to reimburse the Plan 100% first for any and all benefits provided through the Plan, and for any costs of recovering such amounts from any party from any and all amounts recovered through:

- Any settlement, mediation, arbitration, judgment, suit, or otherwise, or settlement from Your own insurance and/or from the third party (or their insurance or their estate);
- Any auto or recreational vehicle insurance coverage or benefits including, but not limited to, uninsured or underinsured motorist coverage;
- Business and homeowner medical liability insurance coverage or payments.

The Plan may notify those parties of its lien and right to reimbursement without notice to or consent from those Members.

This priority right of reimbursement applies regardless of whether such payments are designated as payment for (but not limited to) pain and suffering, medical benefits, and/or other specified damages. It also applies regardless of whether the Member is a minor.

This priority right of reimbursement will not be reduced by attorney fees and costs You or Your estate incur.

#### Notice and Cooperation

Members are required to notify the administrator if they are involved in an incident that gives rise to such subrogation rights and/or priority right of reimbursement, to enable the administrator to protect the Plan's rights under this section. Members are also required to cooperate with the administrator and to execute any documents that the administrator, acting on behalf of the Employer, deems necessary to protect the Plan's rights under this section.

The Member shall not do anything to hinder, delay, impede or jeopardize the Plan's subrogation rights and/or priority right of reimbursement. Failure to cooperate or to comply with this provision shall entitle the Plan

to withhold any and all benefits due the Member under the Plan. This is in addition to any and all other rights that the Plan has pursuant to the provisions of the Plan's subrogation rights and/or priority right of reimbursement.

If the Plan has to file suit, or otherwise litigate to enforce its subrogation rights and/or priority right of reimbursement, You are responsible for paying any and all costs, including attorneys' fees, the Plan incurs in addition to the amounts recovered through the subrogation rights and/or priority right of reimbursement.

#### Legal Action and Costs

The Plan may enforce its rights of subrogation and reimbursement against, without limitation, any tortfeasors, any responsible parties or against available insurance coverages, including underinsured or uninsured motorist coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

If You settle any claim or action against any party, You shall be deemed to have been made whole by the settlement and the Plan shall be entitled to immediately collect the present value of its subrogation and recovery rights from the settlement fund. You shall hold any such proceeds of settlement or judgment in trust for the exclusive benefit of the Plan. The Plan shall also be entitled to recover reasonable attorneys' fees incurred in collecting proceeds held by You in such circumstances.

Additionally, the Plan has the right to sue on Your behalf, against any person or entity considered responsible for any condition resulting in medical expenses, to recover benefits paid or to be paid by the Plan.

#### Settlement or Other Compromise

You must notify the administrator prior to settlement, resolution, court approval, or anything that may hinder, delay, impede or jeopardize the Plan's rights so that the Plan may be present and protect its subrogation rights and/or priority right of reimbursement.

The Plan's subrogation rights and priority right of reimbursement attach to any funds held, and do not create personal liability against You.

**The right of subrogation and the right of reimbursement are based on the Plan language in effect at the time of judgment, payment or settlement.**

The Plan, or its representative, may enforce the subrogation and priority right of reimbursement.

You agree that the proceeds subject to the Plan's lien are Plan assets and You and/or the executor or administrator of Your estate will hold such assets as a trustee for the Plan's benefit and shall remit to the Plan, or its representative, such assets upon request. If represented by counsel, You agree that You and/or the executor or administrator of Your estate will direct such counsel to hold the proceeds subject to the Plan's lien in trust and to remit such funds to the Plan, or its representative, upon request. Should You and/or the executor or administrator of Your estate violate any portion of this section, the Plan shall have a right to offset future benefits otherwise payable under this plan to the extent of the value of the benefits advanced under this section to the extent not recovered by the Plan. You agree that by accepting payment of benefits pursuant to the Plan, You have assigned to the Plan the right of third-party insurance benefits or other recovery rights to which You may be entitled. You also acknowledge the Plan's right to reimbursement. You may be deemed ineligible for continued or future coverage under the Plan if You receive payment from a third-party tort-feasor, third-party insurer, third party for medical payments or other individual or entity originally paid by the Plan for, or on Your behalf and you fail or refuse to promptly reimburse the Plan for amounts paid by the Plan. You should seek the advice of an attorney regarding the Plan's rights of subrogation and reimbursement.

Notwithstanding the foregoing, the Plan may waive any right of reimbursement if You are adjudged to be permanently disabled and thereby receive a corresponding benefit from the Social Security Administration or suffer a catastrophic loss, including but not limited to, death; long-term or permanent disability; loss of limb, extremity, or eye; permanent loss of fifty percent (50%) or more of sight or hearing; a prolonged vegetative state; permanent mental impairment; protracted complex recovery requiring multiple or successive surgeries; or any other similar life-altering loss.

## INTER-PLAN ARRANGEMENTS

### 1. Out-of-Area Services

#### A. Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called “Inter-Plan Arrangements.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever You access healthcare services outside the geographic area We serve, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of Our service area, You will receive it from one of two kinds of providers. Most providers (“participating providers”) contract with the local Blue Cross and/or Blue Shield Plan in that geographic area (“Host Blue”). Some providers (“nonparticipating providers”) don’t contract with the Host Blue. We explain below how We pay both kinds of providers.

#### Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits except when paid as medical claims/benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by Us to provide the specific service or services.

#### B. BlueCard® Program

Under the BlueCard® Program, when You receive Covered Services within the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating providers.

When You receive Covered Services outside Our service area and the claim is processed through the BlueCard Program, the amount You pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to Us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to Your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare provider or provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price We have used for Your claim because they will not be applied after a claim has already been paid.

#### C. Special Cases: Value-Based Programs

- **BlueCard® Program**

If You receive Covered Services under a Value-Based Program inside a Host Blue’s service area, You will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Us through average pricing or fee schedule adjustments. Additional information is available upon request.

- **Value-Based Program Definitions**

**Accountable Care Organization (ACO):** A group of healthcare providers who agree to deliver coordinated care and meet performance benchmarks for quality and affordability in order to manage the total cost of care for their member populations.

**Care Coordination:** Organized, information-driven patient care activities intended to facilitate the appropriate responses to a Member’s healthcare needs across the continuum of care.

Care Coordinator: An individual within a provider organization who facilitates Care Coordination for patients.

Care Coordination Fee: A fixed amount paid by a Blue Cross and/or Blue Shield Licensee to providers periodically for Care Coordination under a Value-Based Program.

Global Payment/Total Cost of Care: A payment methodology that is defined at the patient level and accounts for either all patient care or for a specific group of services delivered to the patient such as outpatient, physician, ancillary, hospital services and prescription drugs.

Negotiated Arrangement, a.k.a., Negotiated National Account Arrangement: An agreement negotiated between a Control/Home Licensee and one or more Par/Host Licensees for any National Account that is not delivered through the BlueCard Program.

Patient-Centered Medical Home (PCMH): A model of care in which each patient has an ongoing relationship with a primary care physician who coordinates a team to take collective responsibility for patient care and, when appropriate, arranges for care with other qualified physicians.

Provider Incentive: An additional amount of compensation paid to a healthcare provider by a Blue Cross and/or Blue Shield Plan, based on the provider's compliance with agreed-upon procedural and/or outcome measures for a particular group of covered persons.

Shared Savings: A payment mechanism in which the provider and payer share cost savings achieved against a target cost budget based upon agreed upon terms and may include downside risk.

Value-Based Program (VBP): An outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local providers that is evaluated against cost and quality metrics/factors and is reflected in provider payment.

#### **D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees**

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, BlueCross will include any such surcharge, tax or other fee as part of the claim charge passed on to You.

#### **E. Nonparticipating Providers Outside Our Service Area**

##### **1. Member Liability Calculation**

When Covered Services are provided outside of Our service area by nonparticipating providers, the amount You pay for such services will normally be based on either the Host Blue's nonparticipating provider local payment or the pricing arrangements required by applicable law. In these situations, You may be responsible for the difference between the amount that the nonparticipating provider bills and the payment We will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

##### **2. Exceptions**

In certain situations, We may use other payment methods, such as billed charges for Covered Services, the payment We would make if the healthcare services had been obtained within Our service area, or a special negotiated payment to determine the amount We will pay for services provided by nonparticipating providers. In these situations, You may be liable for the difference between the amount that the nonparticipating provider bills and the payment We will make for the Covered Services as set forth in this paragraph. Payments for out-of-network emergency services, certain services provided by out-of-network providers at in-network facilities, and out-of-network air ambulance services will be governed by applicable federal and state law.

#### **F. Blue Cross Blue Shield Global® Core**

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S.

Virgin Islands (hereinafter “BlueCard service area”), You may be able to take advantage of Blue Cross Blue Shield Global Core when accessing Covered Services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although Blue Cross Blue Shield Global Core assists You with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when You receive care from providers outside the BlueCard service area, You will typically have to pay the providers and submit the claims Yourself to obtain reimbursement for these services.

If You need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, You should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if You contact the service center for assistance, hospitals will not require You to pay for covered inpatient services, except for Your cost-share amounts. In such cases, the hospital will submit Your claims to the service center to begin claims processing. However, if You paid in full at the time of service, You must submit a claim to receive reimbursement for Covered Services. You must contact Us to obtain precertification for non-emergency inpatient services.

- **Outpatient Services**

Physicians, Urgent Care Centers and other outpatient providers located outside the BlueCard service area will typically require You to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When You pay for Covered Services outside the BlueCard service area, You

must submit a claim to obtain reimbursement. For institutional and professional claims, You should complete a Blue Cross Blue Shield Global Core claim form and send the claim form with the provider’s itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of Your claim. The claim form is available from Us, the service center or online at [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com). If You need assistance with Your claim submission, You should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

## CLAIMS AND PAYMENT

When You receive Covered Services, either You or the Provider must submit a claim form to Us. We will review the claim, and let You, or the Provider, know if We need more information before We pay or deny the claim. We follow Our internal administration procedures when We adjudicate claims.

### A. Claims.

Due to federal regulations, there are several terms to describe a claim: pre-service claim; post-service claim; and a claim for Urgent Care.

1. A pre-service claim is any claim that requires approval of a Covered Service in advance of obtaining medical care as a condition of receipt of a Covered Service, in whole or in part.
2. A post-service claim is a claim for a Covered Service that is not a pre-service claim – the medical care has already been provided to You. Only post-service claims can be billed to the Plan, or You.
3. Urgent Care is medical care or treatment that, if delayed or denied, could seriously jeopardize: (1) the life or health of the claimant; or (2) the claimant's ability to regain maximum function. Urgent Care is also medical care or treatment that, if delayed or denied, in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the medical care or treatment. A claim for denied Urgent Care is always a pre-service claim.

### B. Claims Billing.

1. You should not be billed or charged for Covered Services rendered by Network Providers, except for required Member payments. The Network Provider will submit the claim directly to Us.
2. You may be charged or billed by an Out-of-Network Provider for Covered Services rendered by that Provider. If You use an Out-of-Network Provider, You may be responsible for the difference between Billed Charges and the Maximum Allowable Charge for a Covered Service. You are also responsible for complying with any of

the Plan's medical management policies or procedures (including obtaining Prior Authorization of such Services, when necessary).

- a. If You are charged or receive a bill, You must submit a claim to Us.
  - b. To be reimbursed, You must submit the claim within 1 year and 90 days from the date a Covered Service was received. If You do not submit a claim within the 1 year and 90 day time period, it will not be paid. If it is not reasonably possible to submit the claim within the 1 year and 90 day time period, the claim will not be invalidated or reduced.
3. Not all Covered Services are available from Network Providers. There may be some Provider types that We do not contract with. These Providers are called Non-Contracted Providers. Claims for services received from Non-Contracted Providers are handled as described in sections 2. a. and b. above. You are also responsible for complying with any of the Plan's medical management policies or procedures (including, obtaining Prior Authorization of such Services, when necessary).
  4. You may request a claim form from Our customer service department. We will send You a claim form within 15 days. You must submit proof of payment acceptable to Us with the claim form. We may also request additional information or documentation if it is reasonably necessary to make a Coverage decision concerning a claim.
  5. A Network Provider or an Out-of-Network Provider may refuse to render, or reduce or terminate a service that has been rendered, or require You to pay for what You believe should be a Covered Service. If this occurs:
    - a. You may submit a claim to Us to obtain a Coverage decision concerning whether the Plan will Cover that service. For example, if a pharmacy (1) does not provide You with a prescribed medication; or (2) requires You to pay for that prescription, You may submit a claim to the Plan to obtain a

Coverage decision about whether it is Covered by the Plan.

- b. You may request a claim form from Our customer service department. We will send You a claim form within 15 days. We may request additional information or documentation if it is reasonably necessary to make a Coverage decision concerning a claim.
6. Providers may bill or charge for Covered Services differently. Network Providers are reimbursed based on Our agreement with them. Different Network Providers have different reimbursement rates for different services. Your Out-of-Pocket expenses can be different from Provider to Provider.

### **C. Payment.**

1. If You received Covered Services from a Network Provider, the Plan will pay the Network Provider directly. You authorize assignment of benefits to that Network Provider. Covered Services will be paid at the In-Network Benefit level. If You have paid that Provider for the same claim, You must request a refund from that Provider.
2. Out-of-Network Providers and Non-Contracted Providers may or may not file Your claims for You. A completed claim form for Covered Services must be submitted in a timely manner. After a completed claim form has been submitted, the Plan will pay the Provider directly for Covered Services, unless You submit proof of payment to Us before payment is made to the Provider. You authorize assignment of benefits to the Provider. If the Plan pays the Provider and You have paid that Provider for the same claim, You must request a refund from that Provider. You may be responsible for any unpaid Billed Charges. The Plan's payment fully discharges its obligation related to that claim.
3. If the ASA is terminated, all claims for Covered Services rendered prior to the termination date, must be submitted to the Plan within 1 year and 90 days from the date the Covered Services were received.

4. Benefits will be paid according to the Plan within 30 days after We receive a claim form that is complete. Claims are processed in accordance with current industry standards, and based on Our information at the time We receive the claim form. Neither the Plan nor We are responsible for over or under payment of claims if Our information is not complete or is inaccurate. We will make reasonable efforts to obtain and verify relevant facts when claim forms are submitted.
5. When a claim is paid or denied, in whole or part, You will receive a Claim Summary, sometimes referred to as an Explanation of Benefits (EOB). The Claim Summary will describe how much was paid to the Provider, and any amounts You owe to that Provider. The administrator will make the Claim Summary available to You at [www.bcbst.com](http://www.bcbst.com), or You can obtain it at no cost by calling the customer service department at the number listed on Your membership ID card.
6. You are responsible for paying any applicable Copayments, Coinsurance, or Deductible amounts to the Provider. If We pay such amounts to a healthcare provider on Your behalf, We may collect those cost-sharing amounts directly from You.

Payment for Covered Services is more fully described in Attachment C: Schedule of Benefits.

### **D. Complete Information.**

Whenever You need to file a claim Yourself, We can process it for You more efficiently if You complete a claim form. This will ensure that You provide all the information needed. Most Providers will have claim forms or You can request them from Us by calling Our customer service department at the number listed on the membership ID card.

Mail all claim forms to:

### **B. Care Management**

A number of Care Management programs are available to You across the care spectrum, including those for low-risk health conditions, behavioral health conditions, substance use disorders and/or certain complicated medical or behavioral health needs.

Care Management personnel will work with You, Your family, Your doctors and other health care Providers to coordinate care, provide education and support and to identify the most appropriate care setting. Depending on the level of Care Management needed, Our personnel will maintain regular contact with You throughout treatment, coordinate clinical and health plan Coverage matters, and help You and Your family utilize available community resources.

After evaluation of Your condition, BlueCross may, at its discretion, determine that alternative treatment is Medically Necessary and Medically Appropriate.

In that event, We may elect to offer alternative benefits for services not otherwise specified as Covered Services in Attachment A. Such benefits shall not exceed the total amount of benefits under this EOC and will only be offered in accordance with a written case management or alternative treatment plan agreed to by Your attending physician and BlueCross.

**Emerging Health Care Programs -** Care Management is continually evaluating emerging health care programs. These are processes that demonstrate potential improvement in access, quality, efficiency, and Member satisfaction. When We approve an emerging health care program, approved services provided through that program are Covered, even though they may normally be excluded under this EOC.

Care Management services, emerging health care programs and alternative treatment plans may be offered to eligible Members on a case-by-case basis to address their unique needs. Under no circumstances does a Member acquire a vested interest in continued receipt of a particular level of benefits. Offer or confirmation of Care Management services, emerging health care programs or alternative treatment plans to address a Member's unique needs in one instance shall not obligate the Plan to provide the same or similar benefits for any other Member.

#### **C. Medical Policy**

BlueCross medical policies address existing, new, and emerging medical technologies and services. Medical policies are based on an evidence-based research process that seeks to determine the scientific merit and research support for particular medical technologies and services. Determinations with respect to technologies are made using technology evaluation criteria. "Technology" or "Technologies" include devices, procedures, medications, and other existing and emerging medical services.

Medical policies state whether a Technology is Medically Necessary, Investigational or Cosmetic. As Technologies change and improve, and as Members' needs change, We may reevaluate and change medical policies without formal notice. Visit [bcbst.com/mpm](http://bcbst.com/mpm) to review Our medical policies.

Medical policies sometimes define certain terms. If the definition of a term defined in Our medical policy differs from a definition in this EOC, the medical policy definition controls.

## CONTINUATION OF COVERAGE

### Federal Law

If the ASA remains in effect, but Your Coverage under this EOC would otherwise terminate, the Employer may offer You the right to continue Coverage. This right is referred to as “COBRA Continuation Coverage” and may occur for a limited time subject to the terms of this Section and the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA.)

#### 1. Eligibility

If You have been Covered by the Plan on the day before a qualifying event, You may be eligible for COBRA Continuation Coverage. The following are qualifying events for such Coverage:

- a. Subscribers. Loss of Coverage because of:
  - (1) The termination of employment except for gross misconduct.
  - (2) A reduction in the number of hours worked by the Subscriber.
- b. Covered Dependents. Loss of Coverage because of:
  - (1) The termination of the Subscriber’s Coverage as explained in subsection (a), above.
  - (2) The death of the Subscriber.
  - (3) Divorce or legal separation from the Subscriber.
  - (4) The Subscriber becomes entitled to Medicare.
  - (5) A Covered Dependent reaches the Limiting Age.

#### 2. Enrolling for COBRA Continuation Coverage

The administrator, acting on behalf of the Employer, shall notify You of Your rights to enroll for COBRA Continuation Coverage after:

- a. The Subscriber’s termination of employment, reduction in hours worked, death or entitlement to Medicare coverage; or
- b. The Subscriber or Covered Dependent notifies the Employer, in writing, within

60 days after any other qualifying event set out above.

You have 60 days from the qualifying event or the date Your notice of Your right to COBRA Continuation Coverage is mailed, whichever is later, to enroll for such Coverage. The Employer or the administrator will send the forms that should be used to enroll for COBRA Continuation Coverage. If You do not send the Enrollment Form to the Employer within that 60-day period, You will lose Your right to COBRA Continuation Coverage under this Section. If You are qualified for COBRA Continuation Coverage and receive services that would be Covered Services before enrolling and submitting the Payment for such Coverage, You will be required to pay for those services. The Plan will reimburse You for Covered Services, less required Member payments, after You enroll and submit the Payment for Coverage, and submit a claim for those Covered Services as set forth in the Claim Procedure section of this EOC.

#### 3. Payment

You must submit any Payment required for COBRA Continuation Coverage to the administrator at the address indicated on Your Payment notice. If You do not enroll when first becoming eligible, the Payment due for the period between the date You first become eligible and the date You enroll for COBRA Continuation Coverage must be paid to the Employer (or to the administrator, if so directed by the Employer) within 45 days after the date You enroll for COBRA Continuation Coverage. After enrolling for COBRA Continuation Coverage, all Payments are due and payable on a monthly basis as required by the Employer. If the Payment is not received by the administrator on or before the due date, Coverage will be terminated, for cause, effective as of the last day for which Payment was received as explained in the Termination of Coverage Section. The administrator may use a third party vendor to collect the COBRA Payment.

#### 4. Coverage Provided

If You enroll for COBRA Continuation Coverage You will continue to be Covered under the Plan and this EOC. The COBRA Continuation Coverage is subject to the conditions, limitations and exclusions of this EOC and the Plan. The Plan and the Employer may agree to change the ASA and/or this EOC. The Employer may also decide to change administrators. If this happens after You enroll for COBRA Continuation Coverage, Your Coverage will be subject to such changes.

5. Duration of Eligibility for COBRA Continuation Coverage

COBRA Continuation Coverage is available for a maximum of:

- a. 18 months if the loss of Coverage is caused by termination of employment or reduction in hours of employment; or
- b. 29 months of Coverage. If, as a qualified beneficiary who has elected 18 months of COBRA Continuation Coverage, You are determined to be disabled within the first 60 days of COBRA Continuation Coverage, You can extend Your COBRA Continuation Coverage for an additional 11 months, up to 29 months. Also, the 29 months of COBRA Continuation Coverage is available to all non-disabled qualified beneficiaries in connection with the same qualifying event. "Disabled" means disabled as determined under Title II or XVI of the Social Security Act. In addition, the disabled qualified beneficiary or any other non-disabled qualified beneficiary affected by the termination of employment qualifying event must.
  - (1) Notify the Employer or the administrator of the disability determination within 60 days after the determination of disability, and before the close of the initial 18-month Coverage period; and
  - (2) Notify the Employer or the administrator within 30 days of the date of a final determination that the qualified beneficiary is no longer disabled; or
- c. 36 months of Coverage if the loss of Coverage is caused by:
  - (1) the death of the Subscriber;
  - (2) loss of dependent child status under the Plan;
  - (3) the Subscriber becomes entitled to Medicare; or
  - (4) divorce or legal separation from the Subscriber; or
- d. 36 months for other qualifying events. If a Covered Dependent is eligible for 18 months of COBRA Continuation Coverage as described above, and there

is a second qualifying event (e.g., divorce), You may be eligible for 36 months of COBRA Continuation Coverage from the date of the first qualifying event.

6. Termination of COBRA Continuation Coverage

After You have elected COBRA Continuation Coverage, that Coverage will terminate either at the end of the applicable 18, 29 or 36 month eligibility period or, before the end of that period, upon the date that:

- a. The Payment for such Coverage is not submitted when due; or
- b. You become Covered as either a Subscriber or dependent by another group health care plan, and that coverage is as good as or better than the COBRA Continuation Coverage; or
- c. The ASA is terminated; or
- d. You become entitled to Medicare Coverage; or
- e. The date that You, otherwise eligible for 29 months of COBRA Continuation Coverage, are determined to no longer be disabled for purposes of the COBRA law.

7. Continued Coverage During a Family and Medical Leave Act (FMLA) Leave of Absence

Under the Family and Medical Leave Act, Subscribers may be able to take:

- up to 12 weeks of unpaid leave from employment due to certain family or medical circumstances, or
- in some instances, up to 26 weeks of unpaid leave if related to certain family members' military service related hardships.

Contact the Employer to find out if this provision applies. If it does, Members may continue health coverage during the leave, but must continue to pay the conversion options portion of the premium that the Subscriber would pay if he or she were actively working. Coverage will be subject to suspension or cancellation if the Subscriber fails to pay the premium on time. If the Subscriber takes a leave and Coverage is cancelled for any reason during that leave, Members may resume Coverage when the Subscriber returns to work without waiting for an Open Enrollment Period.

8. Continued Coverage During a Military Leave of Absence

A Subscriber may continue his or her Coverage and Coverage for his or her Dependents during military leave of absence in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994. When the Subscriber returns to work from a military leave of absence, the Subscriber will be given credit for the time the Subscriber was Covered under the Plan prior to the leave. Members may continue health coverage during the leave, but must continue to pay the conversion options portion of the premium that the Subscriber would pay if he or she were actively working. Coverage will be subject to suspension or cancellation if the Subscriber fails to pay the premium on time.

9. The Trade Adjustment Assistance Reform Act of 2002

The Trade Adjustment Assistance Reform Act of 2002 (TAARA) may have added to Your COBRA rights. If You lost Your job because of import competition or shifts of production to other countries, You may have a second COBRA Continuation election period. If You think this may apply to You, check with the Employer or the Department of Labor.

## COORDINATION OF BENEFITS

### A. Purpose of Coordination of Benefits

If another Payor provides coverage to You, the Plan may coordinate its benefits with those of that other Payor (the “Primary Plan”). The Plan will follow the subtraction method to coordinate benefits when it is the secondary Plan.

When the Plan is secondary (meaning it determines its benefits after another Plan), the Member liability from the Primary Plan becomes the Allowable Expense under this Plan. Applicable Copayments, Deductibles and Coinsurance are applied to that amount.

### B. Information About Coverage From Other Payors

Information about Your Coverage by other Payors, which is set forth on the enrollment form, is material information. A Subscriber must submit a completed change form if there is any change in the Subscriber’s Coverage or a Covered Dependent’s Coverage by other Payors during the term of Coverage by the Plan. You must cooperate, upon reasonable request, to permit the Plan to coordinate its Coverage with that provided by other Payors.

### C. Group Coordination of Benefits

The Plan shall coordinate benefits as follows:

1. Applicability
  - a. This coordination of benefits (COB) provision applies when You have health care coverage under more than one plan.
  - b. If this COB provision applies, the order of benefit determination rules are applied. Those rules determine whether the Plan’s benefits are determined before or after those of another plan. The Plan’s benefits:
    - (1) Shall not be reduced when, under the order of benefit determination rules, the Plan determines its benefits before another plan (i.e. is the Primary Plan); but
    - (2) May be reduced when, under the order of benefits determination rules, another plan determines its benefits first. This reduction is described in subdivision 4 below,

“Effect on the Benefits of This Plan.”

### 2. Definition of Terms Used in this Section

- a. A “**Plan**” provides benefits or services for medical or dental care or treatment, from:
  - (1) Group insurance or group-type coverage, whether insured or uninsured. This includes health maintenance, prepayment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
  - (2) Coverage under a governmental plan, or coverage required or provided by law. This does not include a state Medicaid Plan (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act).
- b. Primary Plan and Secondary Plan. The order of benefit determination rules state whether this Plan is a Primary Plan or secondary Plan as to another Plan covering the person. When this Plan is a Primary Plan, its benefits are determined before those of the other Plan and without considering the other Plan’s benefits. When this Plan is a secondary Plan, its benefits are determined after those of the other Plan and may be reduced because of the other Plan’s benefits. When there are more than 2 Plans covering the person, this Plan may be a Primary Plan as to one or more other Plans and may be a secondary Plan as to a different Plan(s).
- c. Allowable Expense means a necessary, reasonable and customary item of expense for health care, when that expense is Covered at least in part by one or more Plans covering the person for whom the claim is made. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a Covered person does not comply with the Plan provisions, the amount of that

reduction will not be considered an Allowable Expense.

- d. Claim Determination Period means a Calendar Year. However, it does not include any part of a year during which a person has no Coverage under this Plan.

3. Order of Benefit Determination Rules

- a. General. When there is a basis for a claim under this Plan and another Plan, this Plan is a secondary Plan that determines its benefits after those of the other Plan, unless:

- (1) The other Plan has rules coordinating its benefits with those of this Plan; and
- (2) Both those rules and this Plan's rules, set forth below, require that this Plan's benefits be determined before those of the other Plan.

- b. Rules. This Plan determines its order of benefits using the first of the following rules that applies:

- (1) Nondependent/dependent. The benefits of the Plan that covers the person as an Employee, Member or Subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent;
- (2) Dependent child/parents not separated or divorced. Except as stated in paragraph 3(b) 3, when this Plan and another Plan cover the same child as a dependent of different parents:
  - (a) The benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year; but
  - (b) If both parents have the same birthday, the benefits of the Plan that covered one parent longer are determined before those of the Plans that Covered the other parent for a shorter period of time. However, if the other Plan does not have the rule described previously

in 3(b)(2)(a) or (b) and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

- (3) Dependent child/separated or divorced. If 2 or more Plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:
  - (a) First, the Plan of the parent with custody of the child;
  - (b) Then, the Plan of the spouse of the parent with the custody of the child; and
  - (c) Finally, the Plan of the parent not having custody of the child. However, if the specific terms of a court decree state that 1 of the parents is responsible for the health care expense of the child, and the Plan that is obligated to pay or provide benefits to that child under that decree has actual knowledge of those terms, the benefits of that Plan are determined first.
- (4) Joint custody. If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the Plans covering the child shall follow the order of benefit determination rules outlined in paragraph 3(b)(2).
- (5) Active/inactive Employee. The benefits of a Plan that covers a person as an Employee, who is neither laid off nor retired, are determined before those of a Plan that covers that person as a laid off or retired Employee. The same would be true if a person is a dependent of a person Covered as a retiree and an Employee. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule (5) is ignored.

- (6) Longer/shorter length of Coverage. If none of the previous rules determines the order of benefits, the benefits of the Plan that Covered an Employee, Member or Subscriber for the longer period are determined before those of the Plan covering that person for the shorter period.
4. Effect On the Benefits Of This Plan
  - a. When This Section Applies. This section 4 applies when, in accordance with the Order of Benefit Determination Rules, this Plan is a secondary Plan as to 1 or more other Plans (the "Other Plans"). In that event, the benefits of this Plan may be reduced under this section.
  - b. Reduction in this Plan's benefits.
    - (1) The benefits payable under this Plan are calculated after the Primary Plan's benefits. The amount established as Member liability under the Primary Plan is the Allowable Expense under this Plan. Applicable Copayments, Deductibles and Coinsurance are applied to this amount to determine benefits payable under this Plan.
    - (2) When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both the expense incurred and the benefit payable.
    - (3) When the benefits of this Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this Plan.
5. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. The Plan has the right to decide which facts it needs. It may get needed facts from or give information to any other organization or person. The Plan need not tell, or get the consent of, any person to do this. Each person claiming

benefits under this plan must give the Plan any facts it needs to pay the claim.

#### 6. Facility of Payment

A payment made under Other Plans may include an amount that should have been paid under this Plan. If it does, the Plan may pay that amount to the Other Plan that made that payment. That amount will then be treated as though it were a benefit paid under this Plan, which will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

#### 7. Right of Recovery

If the amount of the payments made by the Plan is more than it should have paid under this COB provision, it may recover the excess from one or more of:

- a. The person it has paid or for whom it has made such payment;
- b. Other plans; or
- c. Other organizations.

The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

#### **D. Subscribers and Covered Dependents Enrolled for Medicare**

The Plan will follow applicable Medicare statutes and regulations to determine if it or Medicare should be the Primary Plan for Covered Services rendered to You when You are also eligible for Medicare Coverage. The Plan will provide You with a summary of those statutes and regulations upon request.

## **GRIEVANCE PROCEDURE**

### **I. INTRODUCTION**

Our Grievance procedure (the “Procedure”) is intended to provide a fair, quick and inexpensive method of resolving any and all Disputes with the Plan. Such Disputes include: any matters that cause You to be dissatisfied with any aspect of Your relationship with the Plan; any Adverse Benefit Determination concerning a Claim; or any other claim, controversy, or potential cause of action You may have against the Plan. Please contact the customer service department at the number listed on the membership ID card: (1) to file a Claim; (2) if You have any questions about this EOC or other documents related to Your Coverage (e.g., a Claim Summary, sometimes referred to as the Explanation of Benefits or Monthly Claims Statement); or (3) to initiate a Grievance concerning a Dispute.

1. This Procedure is the exclusive method of resolving any Dispute. Exemplary or punitive damages are not available in any Grievance or litigation, pursuant to the terms of this EOC. Any decision to award damages must be based upon the terms of this EOC.
2. The Procedure can only resolve Disputes that are subject to Our control.
3. You cannot use this Procedure to resolve a claim that a Provider was negligent. Network Providers are independent contractors. They are solely responsible for making treatment decisions in consultation with their patients. You may contact the Plan, however, to complain about any matter related to the quality or availability of services, or any other aspect of Your relationship with Providers.
4. You may request a form from the Plan to authorize another person to act on Your behalf concerning a Dispute.
5. We, the Plan and You may agree to skip one or more of the steps of this Procedure if it will not help to resolve the Dispute.
6. Any Dispute will be resolved in accordance with applicable Tennessee or Federal laws and regulations, the ASA and this EOC.

### **II. DESCRIPTION OF THE REVIEW PROCEDURES**

#### **A. Inquiry**

An Inquiry is an informal process that may answer questions or resolve a potential Dispute. You should contact the customer service department if You have any questions about how to file a Claim or to attempt to resolve any Dispute. Making an Inquiry does not stop the time period for filing a Claim or beginning a Dispute. You do not have to make an Inquiry before filing a Grievance.

#### **B. First Level Grievance**

You must submit a written request asking the Plan to reconsider an Adverse Benefit Determination, or take a requested action to resolve another type of Dispute (Your "Grievance"). You must begin the Dispute process within 180 days from the date We issue notice of an Adverse Benefit Determination from the Plan or from the date of the event that is otherwise causing You to be dissatisfied with the Plan. If You do not initiate a Grievance within 180 days of when We issue an Adverse Benefit Determination, We may raise Your failure to initiate a Grievance in a timely manner as a defense if You file a lawsuit against the Administrator later.

Contact the customer service department at the number listed on Your membership ID card for assistance in preparing and submitting Your Grievance. They can provide You with the appropriate form to use in submitting a Grievance. This is the first level Grievance procedure and is mandatory. BlueCross is a limited fiduciary for the first level Grievance.

##### **1. Grievance Process**

After We have received and reviewed Your Grievance, Our first level Grievance committee will meet to consider Your Grievance and any additional information that You or others submit concerning that Grievance. In Grievances concerning urgent care or pre-service Claims, We will appoint one or more qualified reviewer(s) to consider such Grievances. Individuals involved in

making prior determinations concerning Your Dispute are not eligible to be voting members of the first level Grievance committee or reviewers. Such determinations shall be subject to the review standards applicable to ERISA plans, even if the Plan is not otherwise governed by ERISA.

## **2. Written Decision**

The committee or reviewers will consider the information presented, and You will receive a written decision concerning Your Grievance as follows:

- (a) For a pre-service claim, within 30 days of receipt of Your request for review;
- (b) For a post-service claim, within 60 days of receipt of Your request for review; and
- (c) For a pre-service, urgent care claim, within 72 hours of receipt of Your request for review.

The decision of the Committee will be sent to You in writing and will contain:

- (a) A statement of the committee's understanding of Your Grievance;
- (b) The basis of the committee's decision; and
- (c) Reference to the documentation or information upon which the committee based its decision. You may receive a copy of such documentation or information, without charge, upon written request.

## **C. Second Level Grievance**

You may file a written request for reconsideration with Us within ninety (90) days after We issue the first level Grievance committee's decision. This is called a second level Grievance. Information on how to submit a second level Grievance will be provided to You in the decision letter following the first level Grievance review.

If the Plan is governed by ERISA, You also have the right to bring a civil action against the Plan to obtain the remedies available pursuant to Sec. 502(a) of ERISA ("ERISA

Actions") after completing the mandatory first level Grievance process.

The Plan may require You to exhaust each step of this Procedure in any Dispute that is not an ERISA Action:

Your decision concerning whether to file a second level Grievance has no effect on Your rights to any other benefits under the Plan. If You file a second level Grievance concerning an ERISA Action, the Plan agrees to toll any time defenses or restrictions affecting Your right to bring a civil action against the Plan until the second level committee makes its decision. Any person involved in making a decision concerning Your Dispute (e.g. first level committee members) will not be a voting member of the second level Grievance committee.

## **1. Grievance Process**

You may request an in-person or telephonic hearing before the second level Grievance committee. You may also request that the second level Grievance committee reconsider the decision of the first level committee, even if You do not want to participate in a hearing concerning Your Grievance. If You wish to participate, Our representatives will contact You to explain the hearing process and schedule the time, date and place for that hearing.

In either case, the second level committee will meet and consider all relevant information presented about Your Grievance, including:

- (a) Any new, relevant information that You submit for consideration; and
- (b) Information presented during the hearing. Second level Grievance committee members and You will be permitted to question each other and any witnesses during the hearing. You will also be permitted to make a closing statement to the committee at the end of the hearing.

## **2. Written Decision**

After the hearing, the second level committee will meet in closed session

to make a decision concerning Your Grievance. That decision will be sent to You in writing. The written decision will contain:

- (a) A statement of the second level committee's understanding of Your Grievance;
- (b) The basis of the second level committee's decision; and
- (c) Reference to the documentation or information upon which the second level committee based its decision. Upon written request, We will send You a copy of any such documentation or information, without charge.

#### **D. Independent Review of Medical Necessity Determinations**

If Your Grievance involves a Medical Necessity determination, , or grievances with respect to Emergency Care Services rendered at an out-of-network hospital, items and services rendered by an Out-of-Network Provider at an in-network hospital (unless You agreed with the Provider prior to the services to accept out-of-network terms under regulatory requirements) and Authorized air ambulance services, then either: (1) after completion of the mandatory first level Grievance; or (2) after completion of the mandatory first level Grievance followed by completion of the second level Grievance, You may request that the Dispute be submitted to a neutral third party, selected by Us, to independently review and resolve such Dispute(s). If You request an independent review following the mandatory first level Grievance, You waive Your right to a second level Grievance and Your right to present oral testimony during the Grievance Process. Your request for independent review must be submitted in writing within 180 days after the date You receive notice of the decision. Receipt shall be deemed to have occurred no more than two days after the date of issuance of the decision. Any person involved in making a decision concerning Your Dispute will not be a voting member of the independent review panel or committee.

Your decision concerning whether to request independent review has no effect on Your rights to any other benefits under the Plan.

If You request independent review of an ERISA Action, We agree to toll any time defenses or restrictions affecting Your right to bring a civil action against the Employer or Employer's Plan, until the independent reviewer makes its decision.

The Employer or Employer's Plan will pay the fee charged by the independent review organization and its reviewers if You request that the Plan submit a Dispute to independent review. You will be responsible for any other costs that You incur to participate in the independent review process, including attorney's fees.

We will submit the necessary information to the independent review entity within 5 business days after receiving Your request for review. We will provide copies of Your file, excluding any proprietary information to You, upon written request. The reviewer may also request additional medical information from You. You must submit any requested information, or explain why that information is not being submitted, within 5 business days after receiving that request from the reviewer.

The reviewer must submit a written determination to Us and We will submit the determination to You within 45 days after receipt of the independent review request. In the case of a life threatening condition, the decision must be issued within 72 hours after receiving the review request. Except in cases involving a life-threatening condition, the reviewer may request an extension of up to 5 business days to issue a determination to consider additional information submitted by Us or You.

The reviewer's decision must state the reasons for the determination based upon: (1) the terms of this EOC and the ASA; (2) Your medical condition; and (3) information submitted to the reviewer. The reviewer's decision may not expand the terms of Coverage of the ASA.

No legal action shall be brought to recover under this EOC until 60 days after the claim has been filed. No such legal action shall be brought more than 3 years after the time the claim is required to be filed.

1. **Actively At Work** – The performance of all of an Employee’s regular duties for the Employer on a regularly scheduled workday at the location where such duties are normally performed. Eligible Employees will be considered to be Actively At Work on a non-scheduled work day (which would include a scheduled vacation day) only if the Employee was Actively At Work on the last regularly scheduled work day. An eligible Employee who is not at work due to a health-related factor shall be treated as Actively At Work for purposes of determining Eligibility.

Facilities obtain designation as a BDCT by transplant type; therefore, a hospital or facility may be classified as a BDCT for one type of organ or bone marrow/stem cell transplant procedure but not for another type of transplant. This designation is important as it impacts the level of benefit You will receive.

15. **Coinsurance** – The amount, stated as a percentage of the Maximum Allowable Charge for a Covered Service that is the Member's responsibility during the Annual Benefit Period after any Deductible is satisfied. The Coinsurance percentage is calculated as 100%, minus the percentage Payment of the Maximum Allowable Charge as specified in Attachment C: Schedule of Benefits.
- In addition to the Coinsurance percentage, You are responsible for the difference between the Billed Charges and the Maximum Allowable Charge for Covered Services if the Billed Charges of a Non-Contracted Provider or an Out-of-Network Provider are more than the Maximum Allowable Charge for such Services.

There are 2 separate Deductible amounts – one for Network Providers and one for Out-of-Network Providers. Satisfying the Deductible under the Network Provider benefits does not satisfy the Deductible for the Out-of-Network Provider benefits, and vice versa. The Deductible will apply to the Individual Out-of-Pocket and Family Out-of-Pocket Maximum(s).
- Copayments and any balance of charges (the difference between Billed Charges and the Maximum Allowable Charge) are not considered when determining if You have satisfied a Deductible.

- a. **Family Deductible** - The dollar amount specified in Attachment C: Schedule of Benefits that a Subscriber and Covered Dependents must incur and pay for Covered Services during an Annual Benefit Period before the Plan provides benefits for such Services. The full Family Deductible must be satisfied before benefits will be paid for the Subscriber or any Covered Dependents.

Once the Network Family Deductible amount has been satisfied by one or more Covered Family Members during an Annual Benefit Period, the Network Family Deductible will be considered satisfied for all Covered Family Members for the remainder of that Annual Benefit Period.

Once the Out-of-Network Family Deductible amount has been satisfied, by one or more Covered Family Members during an Annual Benefit Period, the Out-of-Network Family Deductible will be considered satisfied for all Covered Family Members for the remainder of that Annual Benefit Period.

Once the Network Self-Only Deductible amount has been satisfied by the Subscriber with Self-Only Coverage during an Annual Benefit Period, the Self-Only Deductible will be considered satisfied for the remainder of that Annual Benefit Period.

Once the Out-of-Network Self-Only Deductible amount has been satisfied, by the Subscriber with Self-Only Coverage during an Annual Benefit Period, the Out-of-Network Self-Only Deductible will be considered satisfied for the remainder of that Annual Benefit Period.

  - b. serious dysfunction of any bodily organ or part; or
  - c. placing a prudent layperson's health in serious jeopardy.

Examples of Emergency conditions include: (1) severe chest pain; (2) uncontrollable bleeding; or (3) unconsciousness.

34. **Hearing Aid(s)** – An instrument to amplify sounds for those with hearing loss. There are 2 types of Hearing Aids: the air conduction type, which is worn in the external acoustic meatus, and the bone conduction type, which is worn in the back of the ear over the mastoid process.   - a. Proof of such incapacity and dependency must be furnished within 31 days of when the child reaches the Limiting Age.
  - b. Incapacitated dependents of Subscribers of new groups, or of Subscribers who are newly eligible under this Plan, are eligible for Coverage if they were Covered under the Subscriber’s or the Subscriber’s Covered spouse’s previous health benefit plan. Proof of the incapacity and dependency is required upon enrollment. Annual proof of the dependent’s continued compliance with the terms of incapacity and dependency may be required.

  - a. The Technology must have final approval from the appropriate governmental regulatory bodies, as demonstrated by:

  - b. The scientific evidence must permit conclusions concerning the effect of the Technology on a specific diagnosis, as demonstrated by:
    - i. The evidence should consist of well-designed and well-conducted investigations published in peer-reviewed journals concerning the use of a Technology for a specific diagnosis. The quality of the body of studies and the consistency of the results are considered in evaluating the evidence.
    - ii. The evidence should demonstrate that the Technology could measure or alter the physiological changes related to a disease, injury, illness, or condition. In addition, there should be evidence or a convincing argument based on established medical facts that such measurement or alteration affects health outcomes for a specific diagnosis.
  - c. The Technology must improve the net health outcome, as demonstrated by:
    - i. The Technology’s beneficial effects on health outcomes should outweigh any harmful effects on health outcomes.
  - d. The improvement must be attainable outside the Investigational settings, as demonstrated by:
    - i. In reviewing the criteria above, the medical policy panel will consider physician specialty society recommendations, the view of prudent medical practitioners practicing in relevant clinical areas and any other relevant factors.

When Coverage is not addressed by this EOC, applicable medical policy, or third-party clinical

guidelines adopted by BlueCross, or You have unusual, rare, or unique circumstances relating to Your condition as determined by the Medical Director, then the Medical Director, in accordance with applicable ERISA standards, shall have discretionary authority to make a determination concerning whether a service or supply is Investigational. If the Medical Director does not Authorize the provision of a service or supply, it will not be a Covered Service. In making such determinations, the Medical Director shall rely upon any or all of the following, at his or her discretion:

- a. Your medical records, or
- b. the protocol(s) under which proposed service or supply is to be delivered, or
- c. any consent document that You have executed or will be asked to execute, in order to receive the proposed service or supply, or
- d. the published authoritative medical or scientific literature regarding the proposed service or supply in connection with the treatment of injuries or illnesses such as those experienced by You, or

40. **Maximum Allowable Charge** – The amount that the administrator, at its discretion, has determined to be the maximum amount payable for a Covered Service. For Covered Services provided by Network Providers, that determination will be based upon the administrator's contract with the Network Provider for Covered Services rendered by that Provider. For Covered Services provided by Out-of-Network Providers, the amount payable will be based upon the administrator's Out-of-Network fee schedule for the Covered Services rendered by Out-of-Network Providers, or as

44. **Medically Necessary or Medical Necessity** – procedures, treatments, supplies, devices, equipment, facilities or drugs (all services) that a medical practitioner, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury or disease or its symptoms, and that are:

- in accordance with generally accepted standards of medical practice; and
- clinically appropriate in terms of type, frequency, extent, site and duration and considered effective for the patient's illness, injury or disease; and
- not primarily for the Convenience of the patient, physician or other health care provider; and
- not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic

results as to the diagnosis or treatment of that patient's illness, injury or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, physician specialty society recommendations, and the views of medical practitioners practicing in relevant clinical areas and any other relevant factors. The definition of "Medically Necessary or Medical Necessity" applies to both medical services and Behavioral Health Services.

- Penalties, any balance of charges (between Billed Charges and the Maximum Allowable Charge), and benefits exceeding the Lifetime Maximum.
- When the Out-of-Network Family Out-of-Pocket Maximum is satisfied, benefits are payable at 100% for other Covered Services from Out-of-Network Providers for all Covered Family Members during the remainder of that Annual Benefit Period, excluding applicable Penalties, any balance of charges, (the difference between Billed Charges and Maximum Allowable Charge), and benefits exceeding the Lifetime Maximum.

60. **Prescription Drug** – A medication that may not be dispensed under applicable state or federal law without a Prescription.

62. **Primary Care Practitioner(s)** – A Primary Care Practitioner is a doctor, physician assistant, or nurse practitioner practicing general internal medicine, general practice, family medicine, pediatrics, obstetrics and gynecology or behavioral health. 66. **Rescind or Rescission** – A retroactive termination of Coverage because You committed fraud or made an intentional misrepresentation of a material fact in connection with Coverage. Actions that are fraudulent or an intentional misrepresentation of a material fact include, but are not limited to, knowingly enrolling or attempting to enroll an ineligible individual in Coverage, permitting the improper use of Your Member ID card, or claim fraud. A Rescission does not include a situation in which the Plan retroactively terminates Coverage in the ordinary course of business for a period for which You did not pay the Premium. An example would be if You left Your job on January 31, but Coverage was not terminated until March 15. In that situation, the Plan may retroactively terminate Your Coverage effective February 1 if You did not pay any Premium after You left Your job (subject to any right You may have to elect continuation coverage). This is not a Rescission.
67. **Specialty Drugs** – Injectable, infusion and select oral medications that require complex care, including special handling, patient education and continuous monitoring. Specialty Drugs are listed on the administrator’s Specialty Drug list. Specialty Drugs are categorized as provider-administered in this EOC.

71. **Transplant Network** – A network of hospitals and facilities, each of which has agreed to perform specific organ transplants. A hospital or facility may be in Our Transplant Network for one type of organ or bone marrow/stem cell transplant procedure but not for another type of transplant. 73. **Urgent Care** – Medical care or treatment that, if delayed or denied, could seriously jeopardize: (1) the life or health of the claimant; or (2) the claimant’s ability to regain maximum function. Urgent Care is also medical care or treatment that, if delayed or denied, in the opinion of a physician with knowledge of the claimant’s medical condition, would subject the claimant to severe pain that cannot be adequately managed without the medical care or treatment. A claim for denied Urgent Care is always a pre-service claim.
74. **Urgent Care Center** – A medical clinic with expanded hours that operates in a location distinct from a freestanding or hospital-based Emergency department.
75. **Utilization Policy(ies)** – Refers to any policy, guideline or limitation used by BlueCross in the determination of Coverage.

COVERED SERVICES AND LIMITATIONS ON COVERED SERVICES**

**EVIDENCE OF COVERAGE**

The Plan will pay the Maximum Allowable Charge for Medically Necessary and Medically Appropriate services and supplies described below and provided in accordance with the reimbursement schedules set forth in Attachment C: Schedule of Benefits of this EOC, which is incorporated herein by reference. Charges in excess of the reimbursement rates set forth in the Schedule of Benefits are not eligible for reimbursement or payment.

To be eligible for reimbursement or payment, all services or supplies must be provided in accordance with this EOC, applicable medical policies, third-party clinical guidelines adopted by BlueCross, and Utilization Policies. (See Prior Authorization, Care Management, Medical Policy and Patient Safety Section.)

Covered Services and Limitations set forth in this Attachment are arranged according to:

- Eligible Providers, and
- Eligible services.

An item or service, to be a Covered Service, must not be illegal or unlawful when rendered by the Provider.

**An advantage of using PPO Network Providers is these Providers have agreed to accept the Maximum Allowable Charge set by the Plan for Covered Services. Network Providers have also agreed not to bill You for amounts above these amounts.**

**However, Out-of-Network Providers do not have a contract with the Plan. Except when prohibited by law, they may be able to charge You more than the allowable amount set by the Plan in its contracts. With Out-of-Network Providers, You may be responsible for any unpaid Billed Charges. This means that You may owe the Out-of-Network Provider a large amount of money, depending on the nature of the Covered Services rendered.**

**All services and supplies not listed in this EOC or not in accordance with applicable medical policies, third-party clinical guidelines adopted by BlueCross, and Utilization Policies may result in the denial of payment or a reduction in reimbursement for otherwise eligible Covered Services. Utilization Policies can help Your Provider determine if a proposed service will be Covered.**

**I. ELIGIBLE PROVIDERS OF SERVICE**

**A. Practitioners**

All services must be rendered by a Practitioner type listed in the administrator's Provider Directory of Network Providers, or as otherwise required by Tennessee law. The services provided by a Practitioner must be within his or her specialty or degree. **B. Network Provider**

A Provider who has contracted with the administrator to provide Covered Services.

**C. Non-Contracted Provider**

A Provider that renders Covered Services to a Member but is in a specialty category or type with which We do not contract. A Non-Contracted Provider is not eligible to hold a contract with the administrator.

**D. Out-of-Network Provider**

Any Provider who is a Participating Provider type but who does not hold a contract with the administrator to provide Covered Services.

**E. Other Providers of Service**

A Clinical Trial is a prospective biomedical or behavioral research study of human subjects that is designed to answer specific questions about biomedical or behavioral interventions (vaccines, drugs, treatments, devices, or new ways of using known drugs, treatments, or devices). Clinical Trials are used to determine whether new biomedical or behavioral interventions are safe, efficacious, and effective. **Only routine patient care associated with a Clinical Trial (but not the Clinical Trial itself) will be Covered under the Plan's benefits in accordance with this EOC, applicable medical policies, third-party clinical guidelines adopted by BlueCross, and Utilization Policies.**

If a facility in the Blue Distinction Centers for Transplants (BDCT) Network is not used, benefits may be subject to reduced levels as outlined in Attachment C: Schedule of Benefits. All Transplant Services must meet medical criteria for the medical condition for which the transplant is recommended.

The Administrator will pay at the benefit level listed in “Attachment C: Schedule of Benefits” for Out-of-Network Providers. **The Out-of-Network Provider has the right to bill You for any unpaid Billed Charges; this amount may be substantial. Please check with the Transplant Case Management department to determine if there are facilities available in the BDCT or Transplant Network for Your specific transplant type.**

Note: When the BDCT Network does not include a facility that performs Your specific transplant type, the Plan will pay at the benefit level listed in “Attachment C: Schedule of Benefits” for either the Transplant Network or for Out-of-Network Provider, based on the facility that is used.

### 3. Covered Services

## **STATEMENT OF RIGHTS UNDER THE NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT**

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., Your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier. Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay. In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce Your Out of-Pocket costs, You may be required to obtain precertification. For information on precertification, contact Your plan administrator.

Some states may have more stringent laws. When those laws apply to your information, we follow the more stringent law. Specifically, Tennessee law and other state and federal laws require us to obtain your consent for most uses and disclosures of behavioral health information, alcohol and other substance use disorder information, and genetic information.

## Ways We May Use and Share Your Information

The following are examples of how we may use or disclose your information in accordance with federal and state laws.

- Sale of your health plan information
- Other uses and disclosures not described in this notice

We will let you know if any of these circumstances arise.

**To ask for changes to your personal information:** You have the right to request in writing that we revise your information. Your request must be in writing and explain why the information should be revised. We may deny your request, for example, if we received (but didn't create) the information you want to amend. If we deny your request, we will write to let you know why. If you disagree with our denial, you may send us a written statement that we will include with your information.

If we grant your request, we will make reasonable efforts to notify people you name about this change. Any future disclosures of that information will be revised.

**To request another copy of this notice:** You can ask for a paper copy of this notice at any time, even if you got this notice by email or from our website. Please contact the Privacy Office at the address above.
